CANCELLATIONS

If the arbitrator has a cancellation fee set forth on his/her resume and a hearing date has been scheduled and agreed to by the parties, there will be no cancellation fee paid unless the parties mutually agree to share the cancellation fee or the party requesting the cancellation agrees to pay the fee in full.

EXPENSE REIMBURSEMENT

Reimbursement for hotels, mileage, meal allowance, lodging, telephone bills, and other expenses will be paid in accordance with the State's policy on Travel Reimbursement of Contractors, which is attached.

TIME OF BILLING

Any and all work performed must be billed on at least a **quarterly** basis (e.g., end of March, June, September, December). Also, because the State's fiscal year ends on September 30, bills for work performed in a fiscal year prior to October 1 (even if the case is not yet complete), **must** be billed by the date specified in early October, or may not be paid if State funds are no longer available.

MISCELLANEOUS

With the written consent of the Act 312 Arbitrator or Fact Finder, parties may mutually agree to pay a different amount to that individual – both as to the daily rate and as to expenses.

As to an Act 312 case filed prior to the effective date of Public Act 116 of 2011 on July 20, 2011, the State will continue to pay 1/3 of the per diem and costs associated with that Act 312 proceeding. As to cases filed after July 20, 2011, parties equally split the per diem and costs associated with that Act 312 proceeding.

The State will continue to pay the per diem and costs associated with a Fact Finding proceeding.
